Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Sunday 15 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Turning dry across the region. Breezy, especially along coasts.

This Evening and Tonight:
Through the evening, any persisting patchy rain soon clears, making way for a dry night across the region, with plenty of clear spells. Winds generally light, but breezy along coasts. Minimum temperature 13 deg C (55 deg F).

Monday:
A dry day of patchy cloud, allowing for sunny spells across the region. Becoming breezy and feeling cool, especially along coasts. Maximum temperature 20 deg C (68 deg F).

Outlook for Tuesday to Thursday:
Staying rather cloudy across the next few days, with occasional brighter spells. Despite this, staying largely dry, though with some outbreaks of patchy light rain at times. Winds gradually easing.
